Create Account

5. Your account has been created and you will be returned to the main booking page

The screenshot shows the homepage of the Saskatchewan Provincial Parks Campsite Reservation Service. At the top left is the logo for Saskatchewan Parks, featuring a stylized sun, water, and trees. To the right of the logo, the text reads "SASKATCHEWAN PROVINCIAL PARKS" in a smaller font, and "Campsite Reservation Service" in a larger, bold font. Below the header is a navigation bar with links for "Home", "Browse Maps", "My Reservations", "Information", and "Help". On the right side of the navigation bar, there is a "System Time" indicator and a help icon. Below the navigation bar, the user is logged in, with "Sign Out" and "Welcome, Sarah MILLER" displayed. A red circle highlights the "Sign Out" link. To the right of the user name, it says "Cart (Empty)". The main content area is divided into two sections. The left section is titled "Getting Started" and contains the text "Enter your search preferences below and select one of the buttons under Find Sites." followed by a numbered list item "1. Pick your reservation type:". Below this is a "Reservation Type:" label and a dropdown menu with "Campsite" selected. The right section is titled "Welcome to Saskatchewan Provincial Parks Reservation System" and features a photograph of a campsite at night with people sitting around a campfire.
